Coffee buying guide

# Same roast. Wrong refill.

A familiar coffee name can still lead to the wrong purchase. Check the format before calling it a refill.

**Bagged Dark Roast**

**Dark Roast pods**

Read the full listing

# A roast name isn't a format

Death Wish offers two distinct ways to shop Dark Roast.

## Bagged Dark Roast

Dark Roast Coffee has Ground and Whole Bean selections.

## Dark Roast pods

Dark Roast Single-Serve Pods is a separate product listing.

A better shopping order

# Separate the buying decisions

Make format the first choice, not the last correction.

1. **Setup**
   Confirm what coffee format your brewing equipment requires.
2. **Format**
   Narrow to Ground, Whole Bean or Single-Serve Pods.
3. **Roast or flavor**
   Compare the choices listed within your selected format.

Practical refill check

# Make your refill note specific

Use three fields instead of writing only “Dark Roast.”

- **Coffee name**
  Record the roast or flavor you intend to buy.
- **Exact format**
  Write Ground, Whole Bean or Single-Serve Pods beside it.
- **Selected size**
  Match the bag weight or pod count to the listing before checkout.

Find the right format

# Shop your setup first

Use the coffee collection's format filters to narrow your next refill. The collection link is in the caption.
